

100 Radon Test Kit Challenge

Register now
to receive a
FREE RADON TEST KIT
and test your
home for radon.

Free Radon Information Session

Date: Monday, December 5th, 6pm

**Location: Township of Cavan Monaghan Office
988 County Rd. 10, Millbrook, ON**

Test kits will be distributed at the information session
and from **December 6th - 13th** or
while supplies last from:

**Township of Cavan Monaghan Municipal Office –
988 County Rd. 10, Millbrook, ON
Monday to Friday 8:30-4:30pm**

All participants are encouraged to attend the Radon Information Session to learn more about the health effects of radon, why it's a concern in this area, and Health Canada recommendations.

Details will also be provided on where and when to pick up your radon detector.

Radon levels can vary between neighbouring houses. The only way to know your radon level is to test.

Radon enters a home through contact with the ground and can build up to elevated levels.

Exposure to elevated levels of radon is linked to increased chances of developing lung cancer.

TakeActionOnRadon.ca

Take Action on Radon is a national initiative funded by Health Canada with a mandate to bring together stakeholders and raise awareness on radon across Canada. The current advisory team is made up of the Canadian Association of Radon Scientists and Technologists (CARST), and the Canadian Cancer Society.

This program is provided for free with funding from HEALTH CANADA.
