Public Service Announcement: Update

Millbrook Water Main Break – Water Conservation Measures

The Township of Cavan Monaghan is asking residents to refrain from using water beyond flushing toilets to support efforts to restore the full water system.

Water coming from taps is currently untreated and unsafe. **A boil water order is still in effect.**

It is anticipated this matter may take a few days to resolve. A Potable water truck is available at the Cavan Monaghan Community Centre until 11 p.m. tonight and resumes at 6 a.m. tomorrow morning. Residents can fill their water jugs free of charge.

Crews are working around the clock to restore services. Ongoing updates will be provided on the Township website at: www.cavanmonaghan.net and through Township social media channels.

Thank you for your patience.
