## **Millbrook Water Main Break – Boil Water Advisory Update**

The Boil Water Order is still in effect for the Village of Millbrook in the Township of Cavan Monaghan. **Water coming from taps is currently untreated and unsafe.** We are asking residents to refrain from using water beyond flushing toilets to support efforts to restore the full water system.

A Potable water truck is available at the Cavan Monaghan Community Centre until 11 p.m. tonight. Residents can fill their water jugs free of charge. This service will be in place until full water services are restored. It is anticipated that services will not be restored for a few days.

Crews are working around the clock to restore services. Ongoing updates will be provided on the Township website at: [www.cavanmonaghan.net](http://www.cavanmonaghan.net) and through Township social media channels.

Thank you for your patience.
