

Where do your tax dollars go?

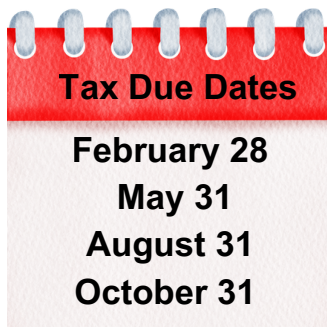

Approximately 46% of your municipal taxes support essential services like roads, policing, and fire protection, while 20% is responsibly saved to renew and replace future municipal infrastructure.

What does this mean for homeowners? The 2.65% municipal tax rate increase for 2026 translates to approximately \$93.82 more per year for the average residential property, based on MPAC's current value assessment.*

*This reflects the municipal portion only and does not include increases to County or education tax rates, or changes to your property's MPAC assessment.

Property Tax Rebates & Reductions

Low-income seniors & persons with disabilities

Low-income seniors & persons with disabilities may qualify for a tax rebate of up to \$200 annually. Apply before November 14th deadline. Learn more: cavanmonaghan.net/rebates

Farm Tax Program

2026 Municipal Election: Have Your Say. Vote Today.

Monday, October 26th is Municipal Election day in communities across the Province. Check to see that you are on the voters list at www.registertovote.ca

Internet and telephone voting opens **October 13 at 10:00 a.m. to October 26 at 8:00 p.m.**

Administrative Monetary Penalty System

The Township is introducing a new, more efficient system for handling by-law violations like parking and disposal of refuse, allowing issues to be resolved locally instead of through the courts. This streamlined approach aims to save time, reduce costs, and improve service for residents. Review the council report: cavanmonaghan.net/amp

Facility Rentals

Book a room at the CMCC or Maple Leaf Park online:

www.cavanmonaghan.net/rentals

Battery Recycling

The Township has partnered with Call2Recycle to maintain and expand battery recycling in the Township. Dispose of your old batteries safely and responsibly in smart containers set up at the Municipal Office, the CMCC and at both Cavan Monaghan Libraries.

Homeowner's Guide to a Healthy Sewage System

Properly functioning onsite sewage systems can increase the value of your home, prevent costly repairs, help prevent raw effluent and excessive nutrients from leaching into our waterways, and help prevent contamination of aquifers - your source of drinking water! For tips on maintaining a healthy sewage system visit www.oowa.org
