Work Instructions for the Simcom Online Credit Card Payment

For the Simcom on line credit card registration:

After the link is clicked the customer will be presented with a login screen and must enter the username and password which was already created on the on line registration. Once logged in, the customer should see the screen displayed.

The screenshot shows the 'MY PROFILE' page in the Simcom application. The left sidebar contains a menu with items like 'Static Dashboard', 'Operations', 'Assets', 'Activities', 'Tools', 'CPM', 'Registration Groups', 'Reference Accounts', 'Fuels and Fluids', 'System', 'User Mgmt.', and 'Users'. The 'User Mgmt.' item is highlighted with a red arrow and a text box stating: '1- Customer to click on user Mgmt.'.

The main content area displays 'WELCOME SANDBOX USER (SANDBOX_USER)' and a warning: 'TWO-FACTOR AUTHENTICATION IS NOT IN EFFECT FOR THIS USER'. Below this, there are three tabs: 'USER INFORMATION', 'FINANCE', and 'PROCESS PAYMENT'. The 'PROCESS PAYMENT' tab is highlighted with a red arrow and a text box stating: '2- Customer to click the third tab (from left) "Process Payment" to open up the payment portal.'.

The 'PROCESS PAYMENT' tab is active, showing a grid of various system management actions such as 'View Permission's Details', 'Perform System Audit', 'Add Credential', 'Edit Credential', 'View Location's Details', 'View Dynamic Dashboard', 'View Transactions', 'Add External Transactions', 'Post Manual Transactions', 'View Product Details', 'Allow to Send Grader's Price', 'Add Tank', 'Edit Location Group', and 'Get Recovery's Status'.

1. Click user management tab.
2. Click process payment tab (third from the left) to open the payment portal.

The screenshot shows a web browser window with the URL `localhost:3000/MyProfile/index.html`. The page is titled "MY PROFILE" and features a sidebar with the Simcom logo and version "Ver. 4.40". The sidebar menu includes: Static Dashboard, Operators, Assets, Activities, Tools, CPM, Registration Groups, Reference Accounts, Fuels and Fluids, System, User Mgmt., and Users.

The main content area is titled "WELCOME SANDBOX USER (SANDBOX_USER)". Below this, a red warning message states: "TWO-FACTOR AUTHENTICATION IS NOT IN EFFECT FOR THIS USER". Two explanatory bullet points follow: "Two-factor authentication is a security process that requires two forms of identification to log into Simcom." and "The first identification is your password. The second is a code that is generated by Simcom and will be emailed to the email address listed below."

Below the warning, there are three tabs: "USER INFORMATION", "BALANCE", and "PROCESS PAYMENT". The "PROCESS PAYMENT" tab is active, displaying a "Payment" form with the following fields: Amount, Card Number, Expiration Date (MM/YY), and CVD. A "PROCESS" button is located at the bottom of the form.

A red-bordered box on the right side of the form contains the following text: "Customer to click PROCESS button to make the payment after the credit card details have been filled. Two emails will be sent: 1) Receipt of payment and, 2) Synchronization result (confirming that amount has been added to your registration.)"

- Customer to click process button to make the payment after the credit card details have been filled.
- two emails will be sent:
- 1) Receipt of payment.
 - 2) Synchronization result (confirming that amount has been added to your registration.
